#### **COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

16. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the "2010 Standards" or "Accessibility Standards") dictate that property owners and operators of commercial premises being used as "commercial establishments" are responsible for complying with these Federal Accessibility Standards.

17. The Plaintiff is informant and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs and/or alterations since January 26, 1990.

18. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants' Premises, in violation of these Accessibility Standards.

19. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants' Premises.

21. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter "2010 ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

22. The Defendants' Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

Failure to provide an accessible entrance at street level door, due to the step at the entrance, and the failure to install a ramp with appropriate slope and signage, and/or otherwise provide accessible and properly designated entrance. This barrier represents an insurmountable barrier to independent entry by the Plaintiff and other individuals who use wheelchairs.

- f. Defendants fail to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

23. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

24. To date, the barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

25. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to

person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.
